This Certificate of Conformity is issued on a voluntary basis according to EN 545:2010. It conforms that the listed equipment complies with the essential safety requirements of EN 545:2010. It refers only to the sample and its technical file submitted for conformity assessment in conjunction with the internal factory production control system assessment.

Final Report No : 17-IS-1320-IR-001

Issue Date : 02.11.2017

Expiry Date : 02.11.2018

This Certificate of Conformity has been granted to the applicant based on the results of testing performed by the applicant/manufacturer or an accepted laboratory and the consequent review of the test report by TÜV Austria Services GMBH. Revisions to the referenced certification basis or any change of the design, materials, components or processing may require the repetition of all or some of the qualification tests in order for the test report and therefore this associated certificate to remain valid.
